Total Joint Replacement Education Night, February 27 **Everything you need to know about hip, knee & shoulder replacements**

Have you ever had questions regarding a joint replacement? Are you wondering if it might be right for you? Let the experts at Stevens Point Orthopedics (SPO) answer your questions and ease your worry at our complimentary Total Joint Replacement Education Night on Thursday, February 27.

Hosted at the Stevens Point Country Club—1628 Country Club Drive, Stevens Point, Wisconsin—the event is open to anyone who would like to learn more about joint replacements. Check-in for the event will begin at 5:00 p.m. with the presentation running from 5:30-7:30 p.m. RSVPs are encouraged but not required. To RSVP, visit [Stevens Point Orthopedics](http://StevensPointOrthopedics.com) online or call the clinic at 715-344-0701.

Attendees will have the opportunity to learn about hip, knee and shoulder replacements, ask questions, and meet the SPO team. All five of our SPO surgeons, who perform total joint replacements, will be present, along with our joint coordinator, Shawn Dombrowski, RN, and physical therapist, Dan Burow, DPT, OCS. Each team member will have an opportunity to speak about his or her role in each patient's joint journey and will be presenting on the following topics:

- Dr. Williams – Overview of the SPO Joint Journey program
- Dr. Henneghan – Partial Knee Replacements
- Dr. Haemmerle – Total Knee Replacements
- Dr. Guse – Total Hip Replacements
- Dr. Troyer – Total Shoulder Replacements
- Shawn Dombrowski, RN – Role of the joint coordinator
- Dan Burow, DPT, OCS – Hip and knee strengthening exercises

In addition to SPO, other local businesses, who's services play an important role in the joint journey process will be joining us for this event. The [Ambulatory Surgical Center-Stevens Point \(ASC\)](#), [D1 Training-Stevens Point \(D1\)](#) and [Sweet Spot Nutrition](#), will each have a booth set up with information regarding their services. The ASC will provide information about their surgery center, D1 will focus on post-surgical rehabilitation and the Sweet Spot booth will offer nutritional insights.

If you are not able to attend the Total Joint Replacement Education Night in person, you can attend virtually, as we will be live streaming the event on Facebook. After the event, the full presentation will be shared on our [Joint Journey](#) webpage for viewing at your convenience.
