Stevens Point Orthopedics to Cancel Complimentary Sports Physical Nights

SPO will not be hosting mass sports physical nights this year due to COVID pandemic

Due to the global COVID-19 pandemic, Stevens Point Orthopedics will not be conducting complimentary sports physical nights this year. We are closely following the CDC guidelines and recommendations and have decided for our patients, community and staff safety to cancel the event this year.

While this was a difficult decision, we look forward to resuming this service to the community in the future when it is safe to do so. We appreciate your understanding and patience.
